host dog

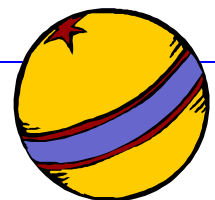

You live in America. Your family is hosting an exchange student from Japan. You are Bouncer, her **host dog**. You are a dog, but you can talk, so please walk around the room talking with as many people as you can and do these 8 things:

1. You want to play catch. Please ask Tanya (host niece) if she wants to play with you.	2. You want to bring a few other dogs home to play with. Please ask Harry (host father) if it is OK.
3. You are hungry. Please ask everyone to give you some food.	4. Doris (host grandmother) uses very strong perfume. You don't like the smell. Ask her to use less perfume.
5. You want to go for a walk with Bob (host uncle) but he is sleeping. Tell him to stop sleeping and take you for a walk.	6. Do you have a ball card? If not, you have lost your ball! Ask everyone if they have found it.
7. Ask Izumi (exchange student) how to say 'dog', 'walk' and 'ball' in Japanese.	8. Harry (host father) forgot to clean your dog house and now it smells bad. Please ask him to clean your dog house.

Scripts: If you do not know what to say then please look at the scripts below.
