host mother

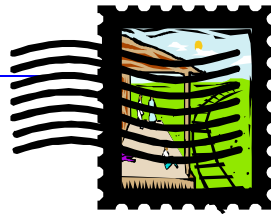

You live in America. Your family is hosting an exchange student from Japan. You are Sally, her *host mother*. Walk around the room and talk to as many family members as you can. Please do these 8 things:

1. You are a doctor. Please tell Bob ( <i>host uncle</i> ) that he is looking very healthy.	2. Doris ( <i>host grandmother</i> ) is playing the piano and you can't hear the TV. Please ask her to be quiet.
3. You collect stamps. Please ask <i>everyone</i> to give you stamps.	4. You want someone to cook dinner for you. Please ask Harry ( <i>host father</i> ) to cook something nice.
5. You have stiff shoulders. Ask Kate ( <i>host sister</i> ) to give you a massage.	6. Do you have a <i>bag</i> card? If not, you have lost your bag. Ask <i>everyone</i> if they have found it.
7. Tanya ( <i>host niece</i> ) and Frank ( <i>host nephew</i> ) are having a fight. Please ask them both to be quiet.	8. There is a noisy cat outside. Ask Bouncer ( <i>host dog</i> ) to go outside and make it go away.

Scripts: If you do not know what to say then please look at the scripts below.

1. Hi Bob, you're looking very healthy today!	2. I'm sorry Doris, I'm trying to watch TV but I can't hear anything because of the piano.
3. Do you have any stamps I can have?	4. So Harry, you gonna cook something nice for dinner tonight?
5. Kate, can I ask a favor? My shoulders are stiff, could you massage them for me?	6. By the way, I lost my bag. Have you seen it?
7. Frank (or Tanya), will you be quiet! You gotta stop fighting all the time.	8. Hey Bouncer, there's a cat outside! Off you go!
